MEMORANDUM FOR: National Intelligence Officer for
Counterterrorism and Narcotics

FROM: Director of Central Intelligence

SUBJECT: National Intelligence Council and
DDI Production on Narcotics

1. Reviewing the published and planned production on narcotics it is quite impressive and heavily weighted on Latin American activities. I think that we should urgently get an analytical product which brings together narcotics activities in and from Asia and some kind of analysis which puts the worldwide picture in a comprehensive context.

2. What additional analysis and production is available to the US Government from drug enforcement and other sources?

William J. Casey
